

ENGAGING WELCON THROUGH LOCAL BUY

Governments Organisations and Councils in Queensland can now access professional Electrical Engineering services by engaging Welcon Technologies through the Local Buy system.

Local Buy's contractual arrangements allow Government Organisations to enter into a contract without first inviting written quotes/tenders.

SERVICES AVAILABLE

As a registered Local Buy supplier, Welcon Technologies can provide Electrical Engineering services such as:

- Statutory inspections and compliance audits
- Electrical systems capacity upgrades
- Design
- Drafting
- Strategic planning
- Drawing management
- PLC/SCADA and Telemetry systems
- Tender documentation
- Equipment specifications
- Project management
- Construction management

LOCAL BUY USERS

It is not only Local Governments of Qld that may purchase through Local Buy; other users include:

- Statutory, Port and Water Authorities.
- Qld Government Owned Corporations (GOC's).
- Qld Government Departments and Agencies.
- Regional Organisations of Councils (ROCs).
- Community Councils.
- Charity/Not for Profit Organisations.

VENDOR PANEL

VendorPanel (www.vendorpanel.com) is the user-friendly web-based system for government users to request quotes from Local Buy preferred suppliers like Welcon Technologies.

For these users, it provides:

- No cost tendering arrangements.
- An easier way to request and receive quotes, if required.
- Reduced administration time and risks.
- Contracts that are fully compliant with the requirements of the *Local Government Act 2009* and subsequent financial regulations.
- Pre-defined hourly rates and insurances.
- An electronic audit trail.
